The Sarge is leaving, but staying ...

After 18 months with Altona Police, Sgt. Harold Day has been transferred to St. Kilda where he will be in charge of the C.I.B.

But he will not really be leaving Altona.

"In the short time I have been in Altona, I have grown to like it so much that I have decided to buy a house and settle here," he said.

"Altona is a nice peaceful place and the people are very friendly," said the man who

has spent most of his 23 years in the force, in the Western suburbs.

Before he came to Altona, Sgt. Day was a sergeant at Sunshine. He has worked with the CIB at Victoria Dock and Bendigo and he served with the Pale-

stine Police Force during the Stern Gang uprising from 1945 to 1948.

Sgt. Day is married with four children. His eldest son is an apprentice chef at the Southern Cross Hotel and his other children all attend local schools.

BANK MAN LEAVES

Mr. Rae Rasmussen and his wife, Moyra, were farewelled by Altona Lions and their womenfolk at an evening at the home of Mr. and Mrs. Alan McDonald, in Seves St., Altona, last week.

Mr. Rasmussen, who was manager of Altona branch of the State Savings Bank for three and a half years, has been appointed manager of the branch at Prince Henry's Hospital.

During his stay in Altona, Mr. Rasmussen was a member of the Lions Club and of Altona Bowling Club. He played pennant bowls with Altona.

Mrs. Rasmussen has been active with women's activities with both clubs.

DROP IN ARREARS

Rate arrears in Altona this year, were \$7,193 lower than they were last year, City

Rate Collector, Mr. W. R. James reported to the recent meeting of Altona Council.

Mr. James said that on October 1, last year, the rate arrears were \$71,495 and on September 20 this year they were \$64,302.

The position of general rates was considered satisfactory, he said.

NEW TIP SITE

Altona residents will have a new tip site within six months.

Council recently decided to make application to the Lands Department for a section of Truganina Reserve south of the Board of Works outfall drain and north

of Cheetham Salt land to be developed for open space purposes by sanitary land fill.

The motion by Cr. Les Crofts also ensured that appropriate steps be taken for application to the Health Department for the necessary permit under the Health Act for the land to be used for garbage tipping.

Town Clerk, Mr. Jim Waters, told *The Star* last week, that Altona's present tip in the Pines area would be full within six months. "It will not be long before residents will have nice grassy picnic spots in the area," he said.

Guitar thieves caught

Two youths who allegedly broke into Fred Manning's Music Store in Queen St. at 5.10 a.m. last Friday and stole four guitars, were apprehended by police after a 100 mph chase along the Princes Highway.

Shortly after the breaking, two youths were observed driving towards Geelong, past the Maltby Bypass road, by a member of the Police Mobile Division.

A 100 mph chase followed and the youths were intercepted by police reinforcements.

The youths were driving a Ford Capri V6, stolen from Toorak.

Following the incident, two youths, both from the western suburbs, were charged with shop breaking and stealing, and the larceny of a motor car.

Altona Police said that a brick had been thrown through the music store window.

WHO'S WHO?

A comprehensive "Who's Who in Altona?" has been prepared by Altona Council and is available to any ratepayer on request. The booklet incorporates the names, addresses and phone numbers of all local clubs, organisations and welfare services as well as information on Altona Council.

"It contains a tremendous wealth of information," Cr. Ray Richards told a recent meeting of council. "And any ratepayer who wishes to obtain a copy, should contact me or call in at the council offices," he said.

A copy of the booklet is on display at the Altona Library.

Police station for Altona Nth.

A new police station — including a district and divisional headquarters — will be built at Altona North.

But it is not known when building work will start.

The Minister for Public Works, Mr. Murray Byrne, stated this in the Legislative Council in reply to a question from the Member for Melbourne West, Mr. Alec Knight MLC.

Mr. Byrne said approval had been given for the establishment of both a district and divisional headquarters and a police station at Altona North.

This is in line with the St. Johnston report on the Victoria police force, which recommended that

the number of metropolitan police districts be increased from five to 10.

Mr. Byrne said the Public Works Department had been asked to prepare revised plans but it was not known when building works would start.

Mr. Knight said this week: "While I regret the delay in the building of this police station, I believe it is to the benefit of Altona and the surrounding areas that approval has now been given for the establishment of a district and a divisional headquarters, as well as a police station."

"This will give the police station better status in respect to manning and operation from the point of view of both the public and the police."

STAR GAZE

Wedding bells could soon be ringing for Johnny "Angel" Madrasan, who has been away from Altona for some months. John is still abalone diving near Tathra (NSW) and the word around Melbourne's canneries is that he intends getting engaged very soon.

Mayor, Cr. Pat Lynch was delighted recently when Minister for Education, Mr. Lindsay Thompson, commented on his Mayoral robes and complimented council on its choice of colors — blue and white. "Maybe we chose the right football team," Cr. Lynch jokingly told fellow councillors.

Altona's youngsters have a new hero. He is the biggest talking point since Bomba — the man who stunned us all with his death-defying feats at the deep end of the Pier, three or four summers ago.

Bomba's successor is a milk bar proprietor whom the local youths have lovingly nicknamed Clarence. As the legend has it Clarence is alleged to have given superb gymnastic displays, i.e. vaulting over his shop counter.

Local residents with toothaches and cavities may be pleased to know that Altona may soon have an extra dentist to help cope with the increasing amount of patients. A dentist has applied for council permission to establish a new practice in Romawi St. The dentist used to work with the Kings in Railway Street and recently returned from Hong Kong.

On a more romantic note, the word is that Michael "Spiegle" Patton and Christine Todd are getting engaged.

June Italia, of Somers Parade is still quite proud of the fact that one of her hairstyles helped somebody win 'Belle of the Ball' last week.

He is one of 237 officers and sailors on board the Australian training cruiser, HMAS Queenborough, at present on a South Pacific training cruise.

COUNCIL SHORTS

FAREWELL FOR HEAD

The Principal of Altona Primary School, Mr. Peter Treyvaud, will be the guest of the Mayor of Altona, Cr. Pat Lynch, and Altona councillors at a function in his honor on Friday, November 19.

Mr. Treyvaud retires from the Education Department this year. He has taught at Altona Primary School for 15 years. The farewell by council will be held in the Mayoral Suite.

FULL SUPPORT

The Western Suburbs Municipal Association has notified Altona Council that it has the association's full support in having the Western No. 2 Purification Plant Pipeline extended into Port Phillip Bay for at least 1½ miles or, alternatively having the sewerage diverted to the Werribee Sewer Farm.

HEART WARMING

Blood donated by council staff members was recently rushed by taxi to a city hospital where it was used for two "hole in the heart" operations, Cr. Bill Sommers told the recent meeting of Altona Council.

Cr. Sommers said that

it was encouraging to know that Altona people were answering the Red Cross appeals for blood. This year Cr. Sommers took over the council's portfolio for social welfare, health and communications.

\$18,000 REFUND

Altona Council will refund \$18,000 to landholders who have contributed to private street schemes in the Altona Meadows area.

Reporting to Council, City Engineer, Mr. Ralph Simmons said that the estimated cost of the schemes had been \$479,146.

"However the completed cost was \$460,387," he said.

Refunds are being posted to landholders concerned

SHOULD BE HIGHER

Altona Council wants district Members of Parliament to press the State Government for revision of building inspection fees — which have been unchanged for several years.

A motion to this effect was moved by Cr. Les Crofts who said that for 13 years, councils had been faced with increased salaries for building surveyors and building inspectors and the fees had remained the same.

FLY CONTROL

Council has "okayed" an application by the Blackshaws Rd. Kindergarten Committee to build a small garden shed on its ground and to install an electronic fly controller at the expense of the auxiliary.

STOLEN VEHICLES RECOVERED

A motor cycle and a car stolen from Williamstown two weeks ago have both been found abandoned at Laverton.

The motor cycle belonged to Mr. Thomas Kinnmore, of Haslin Street. It was found at the rear of Railway Avenue, Laverton, slightly damaged.

The thief stole from the cycle two rear vision mirrors, two indicator lights, a tail light and ignition keys, to the value of \$29.50.

Mr. Peter Motoros, of Lilydale, was owner of the car stolen in Williamstown. It was found in a lane at Laverton, minus a battery, electric razor and a wallet containing a driver's licence.

NIC NAC EVENING

The Altona Marching Girls Club will hold a nic-nac evening on Wednesday, at 8 p.m.

The evening will be held at 31 Clarendon Parade, West Footscray.

All are welcome.

CHANGE OF VENUE

The Altona Scottish Country Dancing group now meets in the Altona Methodist Church Hall in Seves Street.

The group previously met in the hall of the Altona High School.

The group which has built up a strong membership of over 25 plans to have a break-up dance at the end of November.

The group has been running for four months and meets every Thursday between 8 p.m. and 10 p.m.

Val's Column

Hello girls.

There is always something new coming on the shelves each week, and at least one of them to help you.

Take this week, for example. Steiner have come up with Tint and Glo. A hair coloriser designed to enhance your natural color, to conceal greys, naturally — to return to natural color.

All you need is the box's contents to do the whole job. No pre-shampoo necessary, just mix the two bottles in the squeeze top container, don the gloves and cream it on. Half an hour later, lather the foam as a shampoo, and rinse off.

Add body at the finish by using the Steiner Creme Rinse Satchet provided.

Leaves your hair in excellent condition.

Six light colors, six darker colors to choose from.

What do you think of when you think of summer? Oh, my poor arms and legs, how white they are? Get the glow of a natural tan, cover those veins, freckles or that worrying imperfection. Too hot for stockings!

Now remember this, Girl Coty Ultra Legs.

Minis and Ultra-Legs go together — and a must with hot pants!

Ultra Legs looks marvellous — gives a satiny finish of a perfect suntan — skin looks smoother.

Four colors — Sun Beige, Summer Tan, Copperino and Barefoot Bronze.

Ultra Legs won't streak or stain, but washes off with soap and water.

A puff on leg foam by Coty.

"Intimate" for the bath and after.

"Intimate," Revlon's Milk Bath transforms your private water-world into a foamy, rich scented, skin silkening experience. Powdered Intimate, puffs and sprays on. Intimate perfume, spray, creamy — and now Intimate Roll-On fragrance. The anytime, any place, purse size Intimate.

Spill proof, take it anywhere for a long lasting mood heightening aura.

Bye.

LOW RENTAL FLATS FOR OLD

Arrangements have been made for Altona Council to sponsor elderly citizens in the City for low rental housing flats due to be built near Williamstown Railway Station.

Following representations to the Minister of Housing by the MLA for Williamstown, Mr. W. L. Floyd, Altona and Williamstown residents will be given preference for the units providing they have registered with the Housing Commission.

At its recent meeting, Altona Council agreed to notify elderly citizens of this facility and thank Mr. Floyd for his efforts.

PHONE BOX REQUEST DEFERRED

Altona Council's request for additional public telephone facilities in the vicinity of Second Ave. and McIntosh Rd., Altona North, has been deferred by the PMG Department.

In a letter to council the Acting Director of the PMG Department said that action would be taken when there had been a substantial increase in the number of homes in the area.

He thanked council for its letter and said that a close watch would be kept on the area.

Cycle race unlikely

Following discussions between City Engineer, Mr. Ralph Simmons and Footscray Cycle Club representatives, it is unlikely that an annual cycling race will be held in Altona.

Giving council's views on a closed circuit race, Mr. Simmons said that council would not be favorably disposed to a cycle race in a residential area where young children were likely to be.

Pointing out that the club had in mind an annual event club secretary, Mr. McCauley said he fully understood the council's problems and he did not expect the matter would be pursued.

APEX MAY RESTORE OLD CENOTAPH

Altona's old cenotaph may be restored by Apexians at the request of the Altona Historical Society.

Recently the Apexians wrote to the society asking if they could assist with any worthwhile project. The society was quick to reply that restoration of the old drinking fountain built as a memorial to Altona men who served during the 1914-18 war, would be a worthwhile project.

The society also suggested the addition of a plaque to the memorial which stands on Cresser Reserve on the Seaholme foreshore.

For many years, the fountain stood at the northern end of the Altona Pier. It was removed from this location when Altona Council was established and the eternal flame was placed in front of the Civic Offices.

It was left in a council yard for some time before it was moved to Seaholme.

Left the beer, took the jack and the mat

A thief who broke into a car parked in the driveway at 25 Millers Rd., last Friday night changed his mind about keeping the car rug and bottle of beer he stole but kept a red screw car jack and an orange fluffy car mat.

The items were all taken from the car after the thief had forced a vent window, some time between 7 p.m. on Friday and 3.45 a.m. on Saturday.

The rug and bottle of beer were found on Saturday morning on the front lawn of a residence in Blyth St.

Altona police are investigating the theft.

Wheel taken

One wheel and a car jack were reported stolen from a Valiant sedan that was parked at 9 Gloucester Court, Altona last Thursday. The larceny occurred after 2 p.m. Altona police are investigating.

In your time — A GUIDE TO LEISURE

In today's rat-race world there are few pleasures left to the average man to enjoy in his leisure time which have not been taken over as the exclusive right of the wealthy.

One of the most glaring exceptions to this sad state of affairs in Melbourne lies in the realm of dining out and to prove this one only has to visit a restaurant such as L'AQUILA in Nicholson St., Nth. Fitzroy. Here host PINO FARINACCI provides gourmet food (you bring your own wine) at pre-inflation prices in a relaxed and informal atmosphere.

On entering one sees a tastefully decorated room with wood panelled walls, terrazzo floor and spacious tables enhanced with red cloths and white serviettes.

The range of meals is almost too large for a medium size restaurant but Pino's chef handles the international cuisine with competence and flair. Prices range between \$1.50 and \$2.50 for main courses and there is a leaning towards Italian cooking in the fish, poultry, beef and veal dishes.

My wife and I both started with oysters, hers Veneziana (tomato, herbs and shallots) and mine Mornay. Oysters are a risk at any time but these were superb, cooked to perfection and served piping hot.

To supplement the meal a bottle of Wynn's 1969 Coonawarra Cabernet Sauvignon-Hermitage Blend

(price \$1.70) which proved to be an ideal companion to the food. This red wine although quite young had all the characteristics of a good Coonawarra that will improve for years.

For the main course my wife had Fried Prawns and I selected Tournedos Maria Louise. The prawns were plentiful, crisp and accompanied by a delicious tartare sauce.

My tournedos were delicate cuts of beef (medium rare) with artichoke and asparagus cooked in white wine and champignons.

Both meals were embellished with sauted potatoes and beans. My praise for these dishes cannot be too high.

After cheeses my wife decided on an Italian ice-cream whilst I preferred the house recommendation — Crepes Aquila, a subtle blend of pancake, brandy, candied fruits and cream served flamed. A delightful end to a wonderful meal. We finished with coffee which, as throughout the meal, was served with efficiency and courtesy.

It was a delight to receive professional attention which was not in the least flamboyant. One can only conclude that L'AQUILA is too good to miss.

Fair in aid of blind

The Royal Victorian Institute for the Blind will hold its annual fair on Friday and Saturday, October 15 and 16 — a month earlier than usual.

Proceeds of this year's fair, which will be held at the institute in St. Kilda Road, will go to the blind and multi-handicapped children at the institute's residential nursery and school at Burwood.

Attractions will include decorated stalls, lucky envelopes, spinning wheels, raffles, miniature train rides, a Scottish dancing competition which will feature blind children as participants and the announcement of the institute's annual Grandchild of Victoria quest.

Altona Council's decision to refuse a permit for a BP service station in Altona North has been upheld by the Town Planning Appeals Tribunal.

This was announced at the recent council meeting by the Town Clerk, Mr. Jim Waters.

BP Australia had appealed against council's refusal to grant a permit for a service station at the corner of Millers Road and Cresser Street, Altona North.

Committee praised

Brooklyn West Primary School's committee has been praised by Altona's Cr. Charlie Carlsson for providing the school with a library instead of waiting for the Government to build one when the school reached a certain size.

"They deserve a pat on the back", said Cr. Carlsson who attended the recent opening of the library by the Minister of Education, Mr. Lindsay Thompson.

MOTORING SECTION

NO BACK SEAT DRIVER

There is one woman in Australia above all others who could never dare offer back-seat driving advice. She's Pauline Moffat, wife of top racing driver Allan Moffat.

Before she met (1969) and married Allan little less than a year ago, Pauline had not the slightest interest in or knowledge of anything on wheels.

She knew Allan Moffat as most other people would know him, a racing driver and the man on the BP commercials on TV.

But now her "scene" has changed — dramatically. How does she see her new life and particularly what's this man Moffat really like?

"To his fellow competitors he is usually their toughest opposition. Which makes him put everything he has — and that little bit extra — into winning. Coming second is meaningless to him."

"I think this is certainly what earned him his

reputation in the early days. But he has got frightening determination. And he must be in every respect the professional in what he does."

Pauline says she found out quickly just how big a business motor racing has become, and just how professional you have to be to survive.

"Being able to drive is just not enough. Some of the biggest companies in the world invest large sums in motor racing in the form of sponsorship. You have to be professional enough to be able to operate virtually as an arm of your sponsor with the efficient management and approach they are used to and expect. They are investing money in your talent and they want results both on the track and off it."

"Being involved in the day to day affairs of helping to run Allan's business and all the associated promotional activities I find exciting and stimulating."

"Allan is fortunate that his education and experience throughout the world have equipped him very well for this. He's a good boss!"

Pauline is an Australian. Even though Allan is Canadian by birth he has lived most of the past 10 years in Melbourne and considers himself an Australian.

"But living in Australia has certainly done nothing to change his appetite for expensive continental dishes and the best Russian caviar," says Pauline.

"We recently took the big step after Allan's years of living more or less in a suitcase and bought a flat. We lead a quiet social life and the rare weekends we do have away from the cars we like to keep to ourselves. Allan enjoys browsing through the shops in search of furniture but he's got expensive tastes here too which means a lot more winning if we want to furnish our home as he would like."

"But I can't keep him away from his cars for long. We often have one room set aside at home for spare parts and I even fell over some engine pieces in the bathroom the other day!"

With the Hardie Ferodo 500 recently — the

biggest single event on the Australian motor racing calendar for Moffat — Pauline sees very little of Allan.

"He left early in the morning and arrived home after dark after spending the day test driving hundreds of miles."

"To most women having your husband away all day is nothing. But when you're involved closely with the business yourself it seems a long day waiting to hear how things have been going and so on."

"Contrary to what many people believe Allan is not an impatient person. Sometimes I am amazed at the patience he shows in talking to young people about motor racing and he will spend hours standing around after a hard race explaining the ins and outs of the business to those genuinely interested."

"But people who talk just for the sake of it or who ask dumb questions usually get the short shift."

"When you understand that winning is what this

business is all about then the whole picture becomes clearer. It's sheer economics. No one wants to put money on a loser. They want to back the winner."

"The everyday affairs of running the team Allan seems quite happy to leave to me. In fact he's not very interested in how much or how little there is in the bank half the time — but we survive."

"I enjoy all this naturally, and feel I can express his thoughts on most matters without having to consult him first."

"Keeping up with the correspondence, answering telephones, arranging our racing schedule and so on gives me a full day."

"It's all a complete way of life not just a job. When we do have the time to relax, Allan likes catching up on the motoring magazines, playing chess or watching television — and snatching snacks of cheese, caviar and American ketchup."

Moffat and wife Pauline enter their Toorak flat.

NEW JENSEN OUTLET

A new company, Jensen Distributors (Vic.) has been formed within the James Smith Automotive group to handle sales and service of the 140 mph English Jensen luxury car.

James Smith Automotive have been appointed sole Jensen Distributors for Victorian sales by the Australian Concessionaires, Taylorspeed Distributors of Adelaide, and the new company will operate from the North Melbourne showrooms which were opened in May at the corner of Dryburgh and Arden streets.

The group now includes Peter Manton Parts and Peter Manton Motors, of Elizabeth Street and are British Leyland specialists, with franchise for MG, Jaguar and Daimler, as well as Austin and Morris.

Managing director, Jim Smith, 36, is well known on the race tracks of Australia with his Minis, and he recently acquired a unique 400 horsepower racing Rover sedan which is beginning to make its presence felt on the tracks.

He started motor racing in 1958 with a Morris Minor, then graduated to a Porsche and finally settled for Minis. In 1969, his company Beau Brummell Laundry and Dry Cleaners, stood in the path of progress for the extension of the South Eastern freeway, and upon the sale the business he entered the motor trade.

Although the production rate of Jensens is in the region of 20 a week, the current Interceptor model, backed by the four-wheel-drive FF version, is world famous as a solidly constructed, beautifully finished high-speed tourer that has every possible item of equipment that luxury demands.

Power — 325 bhp — comes from a 6.3 litre Chrysler V8 with Torqueflite three-speed automatic gearbox. The wheels are shod with high speed Dunlop Aquajet low-profile tyres and large diameter powered disc brakes take care of stopping. Steering is also powered but retains the essential.

The all steel body has completely welded seams — no spot welding is used — and is mounted on a massive tubular chassis.

The interior is as lavishly equipped as a car can possibly be with every aid to luxury motoring, from electric windows to instant control of the interior atmosphere.

Completely complying with American safety regulations, the MK II Interceptor also merits exhaust emission requirements. It has a top speed in the region of 140 mph, and an acceleration time of less than 20 seconds to 100 mph.

FORD'S \$8.5m

The Managing Director of Ford Australia, Mr. Brian S. Inglis, announced last week that the company's net trading profit before tax in the six months to June 30, 1971 was \$15,988,272 compared with the pre-tax trading profit of \$14,180,740 in the comparable period of 1970. On an after tax basis profits totalled \$8,498,272.

Net sales for the first half of 1971 were a record \$146,891,763 compared with \$143,126,307 in the first half of 1970. The actual factory sales of passenger cars, trucks and tractors totalled 59,762 units.

Domestic retail sales of cars and trucks during the first half of 1971 were at record levels compared to any equivalent six months period and resulted in a domestic vehicle market share of 21.8 per cent, compared to 21.1 per cent for the first six months of 1970.

Export sales were a record 10,408 units up 26 per cent on the corresponding period in 1970. Foreign exchange earnings from exports totalled \$18,087,065. Commenting on Ford Australia's export record Mr. Inglis said: "In July 1971 foreign exchange earnings since 1961 passed the \$100,000,000 mark, giving Ford a significant share of the growth in Australian exports of manufactured goods."

Expenditure on expansion, modernisation and replacement of facilities totalled \$9,808,576. Substantially, these expenditures relate to the \$45,000,000 expansion programme announced in July of last year and together with the recently announced further expansion of \$7,000,000 at Geelong will result in a total increased investment in plant and equipment of \$52,000,000 the major portion of which will be in operation by 1972.

At June 30, 1971 total funds employed in the business stood at \$232,633,465 compared

with \$221,706,626 as at December 31, 1970.

No dividends were declared or paid during the period.

Pauline knows well how much of a personal challenge the Trans Am Mustang has become for her husband.

"He is constantly testing his knowledge and know how on the car. He's a perfectionist and he stands guard over the preparation of the car before every race.

"I remember him saying to me soon after we were married that blowing an engine is a disappointment but rebuilding it and making it work as efficiently as before is a most rewarding exercise.

"And he makes sure he has the mechanics around to do the job. They're a tremendous crew. But Allan makes sure that he sees every nut and bolt before it goes on to the car. Then if things go wrong he is quite happy to say he overlooked something."

While Pauline Moffat leaves it to her husband on the road and track, her own driving force behind the scenes of Allan Moffat Racing ensures that the money will always be on a winner.

Hip pocket appeal gives Ford bigger vehicle market share

By TREVOR DAWSON-GROVE

IN its latest advertisements, General Motors-Holden's admits the hip pocket has traditionally exerted a stronger influence than the heart on Australia's car buying public. Latest figures suggest it still is.

For the hip pocket seems to be winning out against the lure of new model styling and engineering innovation.

Other factors must enter too — such as the labour situation in South Australia — but there would seem to be a correlation between Ford's August market share and pricing.

In the face of new model competition, Ford lifted its share of the medium car market from 24.8 per cent in July to 26.2 per cent last month.

TOTAL VEHICLE REGISTRATIONS MARKET SHARES PERCENTAGE

	August	July	June
GM-H	32.9	34.7	35.7
Ford	22.8	20.6	20.5
Chrysler	10.7	11.4	10.3
British Leyland	6.9	6.5	6.7
Japanese	17.7	17.6	18.1

In its pricing comparison, Ford says its Falcon 500 with 200 cu in, 130 bhp "six" is \$162 less than its main competitor's comparable model.

Chrysler's advertisements tend to suggest that buyers should completely disregard the competition.

The advertisements say: "Now the question isn't which make, but which Valiant."

In its ads, Ford has been saying: "How about saving yourself up to \$162 and get the best of the three."

"No, we haven't cut our price. But, after recent events, it amounts to the same thing. Falcon has always given you much more style, strength, comfort."

The young nurses take their pledge in a darkened room. Each one holds a lighted candle. Each promises to care for all community, regardless of color, religion, status or creed.

A moving ceremony.

But some of the nurses, who graduated from Williamstown and District Hospital on Thursday night gave this traditionally serious occasion a delightful light touch.

They entertained the audience with songs accompanied by a guitar. The girls, who had very pleasant voices were applauded warmly.

The Mayoress of Williamstown, Mrs. M. Robertson presented the first professional certificates and prizes.

Prize winners were: Margaret Pheffley, highest aggregate preliminary training school; Sheryl Hassett, Williamstown Hospital Ladies' Auxiliary Award for the most improved nurse during first year.

Carol Elligate, general proficiency, first year;

Susan Saunders, general proficiency, second year; Koidula Nemiro, general proficiency, third year.

★ Importance

The guest speaker, Rabbi H. M. Sanger, OBE, Ph.D., D.D. talked about

the importance of nurses in a hospital.

Rabbi Sanger said that in this age of mechanisation a hospital was a place where human concern survives.

"Nurses build and maintain the morale of the patient," he said.

Rabbi Sanger finds it sad that old people are not given much respect in today's society.

"I don't agree with the contempt of the old," he says.

"If for nothing else, people should be respected for being old veterans in the battle of life," he said.

"If their life has led to a reasonably wise and achieving old age they deserve respect, if not then the realisation of this is punishment enough in itself.

★ Not over

Rabbi Sanger said white hair was the receipt life gives an old man for service.

He reminded the nurses that their duty was not over even after the doctors realise they've done all they could and have to let nature take its course.

"Remember, in a hospital, death happens very often — but to every patient it happens only once.

"Don't become callous. You cannot live without hope and you can't die without hope.

"I come from a people who have a long tradition behind them and we are given advice on what to say to the dying.

"When someone in the family is really ill and asks if he will live — even if you know he will not — it is better to say, 'many have been as ill as you and recovered. Others have been as ill as you and they died'.

"You see, there should always be hope. Taking hope away from a patient is the worst thing anyone could do."

Dr. L. Joel moved a vote of thanks to Rabbi Sanger. He remarked on the number of nurses recently married.

"We see what happens after nurses graduate. They get married and have children," he quipped.

"Nurses make good wives.

"After they're married, they make even better nurses," he added.

Sisters presented with hospital certificates and badges were Sisters Helena Johanna Maria Nowell, Rosemary Anne James, Antoinette Rosanne Lambourne, Janet Margaret Seamer, Jacqueline Ann Thorn, Linda Bradley, Jeanette Eileen Emily Colling, Lavena Joyce Gilbert, Koidula Nemiro and Sheila Ina Pantours.

First Year professional examination certificates were presented to nurses: Valda Joan Brown, Carol Elizabeth Elligate, Marie Patricia Knights, Beryl McClelland, Rowena Calder Pugh, Carole Ann Reilly, Marilyn Irene Hassett, Margaret Rose Howard, Diane Lesley Poulson.

City Engineer, Mr. Ralph Simmons made the following report on council contracts at the meeting of Altona Council on Tuesday night:

• Grieve Pde.:

Final surfacing of the section of Grieve Pde. between Kororoit Creek Rd. and Pinnacle Rd. was completed.

• Broadway:

The road pavement in the section of Broadway between Blackshaws Rd. and Stapley Cres. was surfaced with bituminous concrete and nature strips were levelled behind new kerb and channelling.

• Altona Rd.:

Pre-cast kerb and channel sections were laid along the west side of Altona Rd. between the bridge over Cherry Drain and the adjacent crib crossing over the railway tracks.

• Altona Meadows Sub-division — Private Street Scheme No. 104:

Excavation of the road bed in Talbot St. from Queen St. northerly towards Alma Ave. is in progress.

• Harcourt Rd. and Burns Rd.:

The laying of underground drains near the intersection of Harcourt and Burns rds. is in progress.

• Toilet Block for Barrack Square Shopping Centre:

The laying of bricks for the walls of the building and the fitting of precast concrete roof sections was completed. Plumbing work is being undertaken.

• Bond Reserve—Change Rooms:

The change rooms at Bond Reserve, including an internal closet, were connected to the Board of Works sewerage system.

The old pan closets, which were subject to vandalism, have been moved from the reserve.

Scholarship winners

Five local boys won scholarships in the Australian Council of Educational Research conducted recently.

The winners were Christopher Robert Murphy, of St. Mary's; Geoffrey Raymond Bryan, Sacred Heart, Newport; Timothy Gerard Richardson, St. Margaret Mary's Spotswood; Justin John O'Brien, St. Mary's, Altona and Mark Luke Briffs, St. Andrew's, Werribee.

The five runners-up were Jeffery Charles Saliba, St. Leo's, Altona North; Stephen John Wragg, St. Mary's, Williamstown; Fabio Emilio, Corpus Christi, Kingsville; David Noel Kenwary, St. Mary's, Williamstown and Paul Damien Devereaux, St. Augustine's, Yarraville.

The winners will be entitled to six years' books and fees, provided they stop in the top 25 per cent. of the form.

CLUB'S THANKS

Altona Council has received a letter of thanks from Altona Lacrosse club for improving the club's grounds and facilities in the past year.

The writer of the letter said: "I am sure it can only serve to improve our game, club and interest generally."

Transfer period for higher hospital benefits to cover new public hospital fees 1st August to 31st October, 1971

IMMEDIATE BENEFITS • NO WAITING
Special Account Contributors Included

H.B.A. Schedules have been adjusted to meet increased public hospital fees operative from 1st August, 1971.

All contributors must adjust to one of the corresponding schedules shown below. Contribution to the corresponding schedule will provide the new higher benefits without further probationary period — this includes contributors or dependants already in hospital on 1st August, 1971.

All contributors are advised to check their "date paid to" and are required to adjust contributions from Monday, 16th August, 1971.

This adjustment must be made before 31st October, 1971. All contributors must adjust their rates of contribution by 31st October, 1971. Those who fail to do so will cease to be eligible for benefit.

Contributors claiming for the new benefits should have adjusted their contributions before claiming. Transfer to higher than the corresponding schedule will be subject to the normal probationary periods.

New Contributors:
Normal probationary periods will apply for new contributors.

FILM NIGHT ON MALTA

Two Maltese migrants, travel agent John Falzon and journalist Paul De Bono, produced a film about their homeland last July.

THANK YOU MR WALKER

The Star this week received a reply to a recent Stargaze item, one of the many complaints about Newport railway station.

The Star commends the secretary for Railways, Mr. W. Walker, for his prompt investigation and courtesy of personal reply.

The letter reads:

Sir—The report in Stargaze (Sept. 15), that Newport station's public address system was improperly used was investigated and found to be correct.

Action has been taken to guard against recurrence.

We have not been able to establish that "a giggling bunch of attendants" showed a magazine cover to a female passenger after leaving the platform unattended.

It has been suggested that the offender in this case was a member of the travelling public.

"Stargazer" might well not have seen the station master for six months, for the station master at Newport has many and varied duties that call his attention to many places other than the platform.

To be on the platform all the time would be to neglect the station master's other duties.

Yours, &c.,
W. Walker,
Sec. for Railways.
Noticeably, Mr. Walker, the service has picked up at Newport.

BROWNIES BIRTHDAY

The Second Altona Brownie Pack celebrated their tenth birthday this week with the presentation of a play, Cinderella, followed by a birthday party and a special birthday cake.

Special guest at the function were the Commissioner Mrs. Wood, Marion Hatful, Altona's Queens Guide and the brownies parents and friends.

Marion spoke to the group about the presentation of her certificate at Government House.

A carving was presented to the pack from Mrs. Bradshaw in appreciation for the flowers she had received whilst in hospital.

During the school holidays the first and second Altona and the Seaholme brownies combined for a trip to Emerald on the Puffing Billy.

It was quite a happy occasion despite the cool weather.

HORSES DESTROYED

Three horses were hit by cars and destroyed last month, city ranger, Mr. R. Heyen, said in his report to council on Tuesday night.

Mr. Heyen said that for the month of September, he had received nine calls after 8 p.m.

Five horses had been impounded and later released to their owners and of 29 dogs caught four had been claimed by the owners.

There were 42 dog registrations and one Alsatian registered for the month, he said.

LADIES BOWLING

The Altona Ladies Bowling Club were successful in two games recently.

The A team defeated Surrey Hills when scores were J. Douglas 35-15, P. Gisschus 19-22, R. Fisher 44-14, V. Sevier 26-22.

B team defeated Dousta Galla, scores were I. Gibson 15-38, J. M. Nietago 18-19, A. Carr 36-17, A. Newton 28-17.

Winners at Interclub day which was held recently were entrance E. Beyer, special effort E. Russell, winning rink, M. Dowdell, V. Turner, I. Probert, E. Olliver (capt.).

Roster for Saturday is B. Davies, L. Henderson, M. Dowdell, H. Condon.

Bad fielding but win to Altona

Altona at home to Royal Park in the first round of the season lost the toss and were sent in to bat on a good wicket.

Altona openers, Grassby and Biggy got off to a good start, until Bibby was clean bowled. Evans followed on and led the attack with 20 runs in as many minutes.

Evans was bowled with the score of 36 and Grassby followed five runs later.

Rod Allen, a newcomer to the club was next to the crease and left with the score at four for 43.

Altona were in trouble. A partnership between Hosken and Kirk looked like it might save the day with partnership of 27 runs.

Unfortunately both were dis-

missed within a period of six runs.

The job of consolidation was left to two of the teams younger players Andrew Wilson and Stan Willet, who undoubtedly surprised Royal with a 66 partnership.

Playing under one day rules because of the cancellation of the first day, Altona were comfortably closed after 30 overs 7-138 with Wilson being run out on the last ball.

Wilson closed with 33 and Willet 29 not out.

At this stage of the game Royal Park were in a strong position and looked like winning with only 45 runs and over.

Dick Conradt and Kirk took the bowling.

Kirk looked like having a bad day from the beginning, with a number of dropped catches.

The score reached 33 before the first wicket fell. After this Kirk got the edge on the batsmen and took wickets at 33, 53, 65, 102 and 112.

With five overs remaining Royal Park needed 70 runs with three wickets in hand.

The batsmen hit hard but crumbled under Kirks hand for a total of 114.

Whilst the win was a good one, Altona's fieldsmen need a little practice in catching, or manipulating butterfly nets.

HOSPITAL'S CHRISTMAS PRIZE

Past president of the Altona Hospital Auxiliary, Wilma Verlander, writes out a ticket for a monster stocking in the hospital's raffle o Miss D. Young of Bent Street, Altona.

Looking on is Mrs. Colleen McGraw. The raffle is being conducted outside Gray's Newsagency in Pier Street, Altona.

School second

Altona High School came only 100 points behind the leaders in the B section of the Western Division Athletics Sports.

Competition was tough and scoring high in the Sports in which seven schools competed. Outstanding individual performances came from the following winners of individual events:

Girls, over 17 100 m. and 200 m., Lesley Hyde, under 17 javelin, Diane Haslam, under 14 high jump, Rae Pollock, under 15 100 m., Susan Carter, under 15 100 m., hurdles, Kerri McCullagh, over 17 m. discuss, Diane Adams, over 17 javelin, Nola Kaye.

AMETHYST WIN

The Altona Amethyst Marching girls have again been successful, this time winning the Werribee C grade midget competition for the best team and the aggregate.

Linda Clark won the best leader's sash.

This is the girl's second season and already they appear to be shaping up for B grade.

NIGHT OUT

The winner of the Somers Parade special effort conducted recently was Mrs. A. Svilans, of 24 Bracken Grove, Altona.

First prize was a night out for four at Tikki and John's.

Altona pupils see freak weather

Thirty two pupils and three staff members of Altona High School were lucky enough to witness the rare occurrence of rain falling on Ayres Rock during a recent trip to the Red Centre.

The school usually arranges a trip each year, last year's being to Tasmania and the previous year to the Gulf of Carpentaria.

The students travelled to Adelaide and up to the Red Centre by coach.

A stopover was made at Cooper Pedy and the final nights of the nine-day trip were at Alice Springs where a piper took part in the break-up party.

Pupils were able to meet Aborigines in their various stages of assimilation.

The party camped overnight while travelling to and staying at, the Red Centre.

And among other things students helped dig the coach out of sand at the Finke River. The girls took the photographs.

R.S.L. NOTES

The next dance at the Altona RSL will be held on October 16.

There will be an excellent band in attendance. Admission will cost 50 cents, visitors 75 cents.

Visitors, please bring your own supper.

The next pleasant Sunday evening will be held on November 7, between 6 and 10 p.m.

Music will be supplied by the Adam set and guest artist.

There will be a limit of 150 people, bookings in advance.

The next quarterly meeting will be held on October 31.

BIG WORKS AT TECH.

About \$151,000 will be spent on alterations, additions and science extensions at the Williamstown Technical School.

The expenditure has been approved by the Public Works Minister, Mr. Byrne.

Mr. Byrne recently advised the Member for Melbourne West, Mr. A. W. Knight, MLC, that the figure would include the cost of mechanical and electrical installations, site works and equipment.

Mr. Byrne said use of covered ways — linking the general classroom wing to the trade wing and assembly hall — would be a feature of the plans.

There will be three new general classrooms, one double classroom with sliding partition doors and one physics laboratory, complete with dark room-office and store.

The re-modelling of the existing social studies and administrative wing will provide for:

- Conversion of a small laboratory and adjoining classroom unit into a modern, up-to-date large laboratory.
- Conversion of three existing classrooms into a staff room, senior master's office, book store and bulk store for books, as well as staff toilets.
- Conversion of the existing staff room and toilets into a conference room.

HISTORICAL SOCIETY MEETING

The next general meeting of the Williamstown Historical Society will be held in the Mechanics Institute, Electra Street, Williamstown, on Thursday, October 28, at 8 p.m.

On Sunday, September 26, Altona Historical Society arranged a car outing around Altona's historical spots.

Unfortunately the trip could not be completed because of rain.

Colac and District Historical Society invites members of Williamstown to visit "Yeo Homestead" near Colac — at the 87 mile post on the Princes Highway — On Sunday, October 17.

The homestead is classified "C" and built from stone quarried on the property.

Afternoon tea will be served and no entrance fee will be charged.

The Williamstown Historical Society is making a trip to Echuca and Wedderburn from Friday night, October 22, to Sunday, October 24.

Anyone interested in going on this tour should contact the secretary (397 6774).

BOYS CUT DISC

Brett Grant (right) and Chris Rogers pose with their new record.

Two district boys have achieved the status of recording stars.

Brett Grant, of Blyth Street, Altona and Christopher Rogers, of Ballarat Road, Deer Park, are among members of the Australian Boys' Choir who have cut a record.

The boys were among members of the choir who toured Japan earlier this year.

While abroad, they presented over 25 concerts and television appearances in that country.

Other boys have travelled extensively, visiting country towns in various parts of Victoria and New South Wales.

For the Japanese tour, the boys learned four songs of that country, which they sang in Japanese.

These songs, which were so popular with the audiences in Japan — have recently been recorded under the "Crest" label, and will be released shortly.

The above photograph shows some of the boys who toured Japan looking at the record they helped to make.

These same boys will be appearing in the 10th Annual Celebrity Concert to be given by the Australian Boys' Choir.

This will be held in the Dallas Brooks Hall, Albert Street, East Melbourne, on Saturday, October 23, commencing at 8 p.m.

Special singing by the choir which toured Japan, and a massed choir of over 70 voices, will be two features of the programme.

Guest artists appearing with the choir this year will be leading English cellist, John Kennedy, son of world-renowned cellist, Lauri Kennedy, and Glenn Campbell, an old boy and at present on the staff of the Australian Boys' Choir.

Glenn was this year's winner of the "Champion Concerto" at Royal South Street, and will play the music with which he won that award.

THIEF SCARED FROM SHOP

Tenants in a flat in Hudson Road, Spotswood, had a 3 a.m. fright one morning last week, but so did a would-be burglar who was trying to break into a hairdresser's shop in front of the flat.

The shop was that of Mr. Leslie Reynolds, who didn't live on the premises.

The thief tried to force open the front door with a jemmy, and when that failed he smashed a glass panel.

The sound of the breaking glass woke up the tenants in the flats and the thief ran away without getting anything.

Williamstown detectives are investigating the matter.

SCRAMBLE NEWS

On Sunday, 17th October, the Newport District Motor Cycle Club will be conducting the 7th round of the Victorian Scramble Championships.

To be held at Sunbury, this meeting is of vital importance to several riders in the various classes of the championships, as it offers a last chance to notch up points before the last round to be held next month.

The 125 cc and 250 cc titles look to be in the bag for Geoff Taylor, who would have to fail to finish in both this and the final round to lose either event.

In the Over 300 cc class, Trevor Flood, from the Hartwell Club, holds a slender lead of 4 points over Alan Batchelor from Morwell, but a big question mark hangs over Flood's fitness after his serious fall during the International Meeting at Wanganui.

The All Powers A grade title event should see Newport ace Karl Morlang flying to try and whittle down Geoff Taylor's 30 point lead. So too will Alan Batchelor who is only one point behind Morlang.

The sixteen event programme commences at 12.30 p.m. To reach the circuit, drive out the Tullamarine Freeway, through Sunbury on the road to Riddell and turn right into Settlement Road 5.4 miles after Sunbury.

Point scores after round 6 in the Victorian Scramble championships: 125 cc: G. Taylor 54, R. Fisher 37, E. Lancaster 28, G. O'Brien 24, S. Cramer 18.

Over 300: T. Flood 32, A. Batchelor 28, P. De Graves 26, J. Mapperson 22, M. Nichol 18.

All Powers: A grade: G. Taylor 43, K. Morlang 33, A. Batchelor 32, J. Mapperson 18, P. De Graves 16.

All Powers C Grade: N. Edney 46, W. Wyatt 38, S. Cramer 30, D. Curran 22.

All Powers Sidecar: J. Delima 34, J. Van Den Ende 25, B. McDonough 12.

B Grade Sidecar: J. Van Den Ende 23, S. Smith 24, W. Fisher 13.

250 cc: G. Taylor 47, M. Nichol 30, G. Adams 29, T. Flood 28, K. Morlang 18.

All Powers: G. Taylor 42, A. Batchelor 36, T. Flood 30, K. Morlang 23.

All Powers B Grade: J. Boag 40, A. Warner 37, I. Carrington 28, G. O'Brien 26.

All Powers Juniors: S. Cramer 45, D. Bailey 34, L. Gross 23, I. Carrington 20.

Junior Sidecar: J. Delima 24, W. Fisher 17, J. Van Den Ende 16.

RACE TO VICTORY

Altona North High School with 563 points won the "A" Section athletic carnival held at Olympic Park on Friday.

Second in the competition was Braybrook High with 511 points and third Sunshine West with 473 points.

Due to poor weather only the track events were contested on October 1. The field events were conducted at Poplar Road on Wednesday, October 6. Undoubtedly the outstanding performer of the carnival was sixteen-year-old Jenny Davidson, the athletic captain of Altona North.

Jenny gained six first placings and two seconds.

Her wins came in the 100 metres (13.1 sec. record), the 200 metres (26.8 sec. record) and the hurdles, long jump high jump and discus.

Challenging Jenny for the title of star performer was Giannina Sardi who competed in the under 16 division.

Giannina, Victorian and Australian junior discus champion took four firsts and four seconds.

Naturally enough she broke the discus record with a throw of 112' 4" and also took the 'gold' in the hurdles, high jump, shot put.

Not to be outdone the boys performed up to a high standard.

Best efforts came from K. Plummer, Flemington High who stormed around the track to take out the under 14 200 metres in record time of 25.6 sec.

G. Fitzpatrick also from Flemington won three under 17 events including the 100 metres in record time of 11.6 sec.

In the open division M. Godfrey from Sunshine West returned an 11.2 sec.

100 metres and a 22.9 sec. 200 metres (record).

Walkovers feature of play

With two more games to play Altona East and Seaholme are in a firm first and second place to pull off the championship in the Altona Primary Schools Soccer League competition.

Altona East beat St. Mary's last week, 15-0 in a walkover game, which must have been disheartening to the lilies.

East have proved themselves a top team throughout this year's competition and played some of the finest junior soccer seen on Kims Reserve.

The score could have been higher had it not been for the brave goalkeeping by St. Mary's.

Altona East's strength lies in the all round ability. In spite of their defeat, St. Mary's remain the most improved side for this season.

In the Seaholme — Brooklyn game, Seaholme came from behind to win 5-2.

In the first 20 minutes it looked like Brooklyn's game, Altona were on the defensive.

They made the occasional attack, but it wasn't until the second half they came good.

With some wind assistance they came on strong to bang in three goals and clinch the game.

Brooklyn West fired well to defeat Altona 13-0. The sheer size of the Brooklyn West players seemed to demoralize Altona.

Many of Brooklyn's goals were scored off deflections from Altona's defenders.

No results are available from the Altona North

versus Altona West match, save that Altona North won.

Altona North scored from strategy, drawing off the West's defenders and scoring some clever goals.

Parents of players are asked to remember that a stall will be held in Pier Street on Saturday morning.

All donations will be received (gratefully) at the stall.

The finals game will be played on October 24, followed by the presentation of the best and fairest awards.

This will be followed by a party for the youngsters.
